I, Sergeant RAY C. MAKINO, make oath and say as follows:

I am assigned to the 5250th Technical Intelligence Center, Technical Intelligence Company, Tokyo, Japan. That I was recently assigned to make a list of approximately 1,500,000 feet (2,148 reels) of captured Japanese and German films, such films having been captured at the Japanese Army Propaganda Office and the 9th Japanese Intelligence Laboratory, Tokyo. That I compiled a roster of such films in which I wrote the Japanese title, together with the American translation of such title. This roster is International Prosecution Section Document No. 7121, known as "Collection of Japanese and German Film Titles". Included in this roster of film is "Critical Period of Japan" (consisting of 12 reels), and "Glorious Japan" (consisting of 11 reels). All of the film listed in the roster is presently in the custody of the 5250th Technical Intelligence Center.
